Types of pictures to submit with your evaluation form

Take the exterior shots from all 4 sides. A bright, sunny day is best. Use flash if necessary. Fill the frame with the vehicle.

Take a picture of the back with the doors open. Show the equipment area and how clean it is. Use a flash or turn on interior lights. Fill the frame with the image.

Get a side shot with both doors open. Angle the shot towards the rear like above. Fill the frame. Give us a good shot of the floor.

Shoot from the back to the front. (Get in the tub if you need to.) Get a photo from the front to the back.

Finally, get one good picture of the cab of the van.
